C.I.G. 7:

1. The subject paper is
 - b. Approved, subject to the minor amendments set out below

X

"Paragraph 13 to read: Any exceptions to the foregoing provisions shall require the ~~unanimous~~ concurrence of the Director of Central Intelligence and ~~all Departments of the Department~~ nominating the personnel for duty with the Central Intelligence Group. Such concurrence will be obtained through the respective Security Liaison Officers of the Central Intelligence Group and the ~~agencies~~ agency concerned.

"The amendment recommended in paragraph 1 is necessary to enable competent, highly qualified and experienced personnel of the Department of State to serve on assignment to the Central Intelligence Group and does not exclude such personnel because they happened to have been born abroad of American parents, or of foreign parents (including citizens of such countries as Canada or Great Britain) and came to the United States as children. It is believed that an arbitrary exclusion of such persons is unrealistic and undesirable. The amendment recommended provides a workable device for clearance of such personnel.
